TTM Purchases the Molygold and Deeker Properties

TTM Resources Inc. is very pleased to announce the outright purchase of its two main properties.

The Molygold Property is located in Lillooet Mining District, is comprised of 17,475 hectares and will be the subject of a major exploration program this spring. The Deeker Property is located in the Liard Mining Division in North West B.C. and is comprised of 17,754 hectares. The Deeker property will also be subject to an exploration program later this summer.

Both properties were under option by TTM and were subject to cash payments, share issuance, and work program commitments over the next five years. By issuing \$122,500 and 1.8 million shares, the Company now owns the properties and is able to plan its programs and proceed at a pace dictated by the Company.

This transaction is subject to regulatory approval which is being sought. The Company anticipates commencing its work program on the Molygold property in the next two weeks and we will keep the shareholders apprised of our progress and plans as they develop.

For further information visit the Company's web site at www.ttmresources.ca
