TTM RESOURCES INC. CALLED TO TRADE ON FRANKFURT STOCK EXCHANGE “SYMBOL T2U”

Agreement reached with Lil’wat Nation, Diamond Drilling to Commence 4th Week of May, Jeff Wilson appointed as General Manager Field Operations, Richard Jordan Appointed to the Board of Directors

TTM Resources Inc. (the "Company") announces it is now listed on the Frankfurt Stock Exchange under the trading symbol T2U. This will allow the Company's European shareholder base to have greater access to purchasing and selling the Company's shares. The Frankfurt Stock Exchange is one of the world's largest trading centers for securities and is also the largest of the eight German stock exchanges. The Company has initiated discussions with consultants in Germany for assistance in providing translation and information dissemination for the Company in Europe.

The Company is extremely pleased to announce an agreement has been made with the Lil’wat Nation-Mount Currie Band on the exploration and development of its Molygold Property near Pemberton B.C. The Company intends to work closely with the Band on its exploration program and potential employment opportunities for the band members.

The Company finalized its diamond drilling contract with the exploration and diamond drilling program commencing around the 20th of May 2006. All exploration and drill permits have been received from the Minister of Mines. The Company plans an initial program of approximately 2,000 meters of drilling on its “Road” Zone and intends to initiate an extensive sampling and exploration program on the other areas of interest on the property.

The Company announces the hiring of Mr. Jeff Wilson as its General Manager- Field Operations. Mr. Wilson lives in Whistler and will be responsible for managing the Molygold Project as well as the Company’s planned program for Deeker Creek Project later this summer.

The Company appointed Mr. Richard Jordens as a Director of the Company effective May 1, 2006. Mr. Jordens brings a wealth of experience in the Construction business and will provide the Company with additional guidance and direction. Mr. Jordens is a significant shareholder of the Company and has participated in the seed, flow through and IPO financings of the Company. This will bring the number of Directors to six.
