TTM Resources Moly-Gold Breccia Zone and Chu Property Update

Moly-Gold Breccia Zone

TTM Resources Inc. (“TTM”) confirms completion of its 2006 Moly-gold Breccia Zone exploration program. Drill core is currently being assayed and results will be released once they are received by the Company.

Chu Property

TTM has engaged Allnorth Consultants Limited of Prince George, BC (“Allnorth”) to apply for all required permits with respect to the Chu Property. Up to 15 holes totaling 5000 meters of drilling has been applied for. Applications will be made to The First Nations and Ministry of Forestry and approvals are expected by mid-November. Diamond drilling contracts have been tendered and will be awarded the first week of November.

Ken MacDonald, P.Geo. will oversee all aspects of the application process and drilling program, which will commence immediately upon receipt of all approvals.
