TTM RESOURCES ANNOUNCES APPOINTMENT OF ADVISOR

Vancouver, May 7, 2007: TTM Resources Inc. is pleased to announce that Mr. Donald Davidson has been appointed as an advisor to the Board of Directors of the Company. Mr. Davidson was recently appointed to the Board of Directors of Sprott Molybdenum Participation Corp., a Toronto Stock Exchange listed company.

Mr. Davidson brings over 50 years of experience in the mining industry in Western Canada and the United States, including experience relating to the mining of molybdenum. He has been a self-employed mining/geological consultant for the past 26 years. Prior to that, Mr. Davidson was employed by Climax Molybdenum Company where he first worked at Climax Colorado and was subsequently posted as the resident geologist and project supervisor for a major underground project in Smithers, B.C. Mr. Davidson also gained molybdenum exposure at the French mine in Hedley B.C., B.C. and Bell Molybdenum in Kitsault, B.C., and Canol Metal Mines in the Yukon.

Mr. Davidson is a professional engineer in the province of British Columbia, holds a masters degree in geological engineering from the University of British Columbia and has completed graduate studies in soil mechanics.

Mr. Davidson has been granted 100,000 incentive stock options, exercisable at a price of \$1.05 per share for a period of five years from the date of grant.

About TTM Resources

TTM Resources Inc. is a Vancouver, British Columbia based publicly trading junior resource exploration company, focused on four assets in British Columbia, Canada: The Moly/Gold Project, the Deeker Creek molybdenum project, the Chu molybdenum project and the newly acquired Terrace area claims. Exploration programs are planned for all properties through 2007. The Company is actively exploring all four properties. These high potential properties, experienced management, working capital, and the Company's recently completed \$8,250,000 brokered financing, are all helping to position this Company for success.
