TTM EXPANDS CHU MOLYBDENUM PROPERTY

Vancouver, June 11, 2008: TTM Resources Inc. is pleased to announce that it has acquired 20 mineral claims from two individuals for aggregate consideration of \$45,000 and 200,000 common shares. There is a 1.5% royalty on production applicable to 18 of the claims.

The claims are contiguous with the Company's Chu Molybdenum property to the North, East and South and expand the area of the Chu property by approximately 9,000 hectares.

"We are very pleased to have acquired this ground contiguous with our existing claims. We feel the addition will compliment our future plans for the development of Chu", stated W.K. Crichy Clarke, President and CEO.

About TTM Resources

TTM Resources Inc. is a Vancouver, British Columbia based Molybdenum Development and Exploration Company focused on the resource development of the Chu Molybdenum Project and three other molybdenum properties in British Columbia, Canada.
